DESCRIPTION

ADP-Mold Zap is a two part liquid that is mixed together when ready to use. It is an environmentally friendly product that safely removes mold, mildew and algae along with the silver gray color that can develop over time. Restores wood, plastic, composite and hardwoods to their original appearance. Unlike chlorine bleach based cleaners, **ADP-Mold Zap** is biodegradable and will not harm wood fibers, pets, grass, or most plants.

USES

ADP-Mold Zap removes dirt, grime, mold and mildew stains, and weathered graying from horizontal and vertical wood, plastic, composite and hardwood surfaces. It is recommended for mold and mildew control and for surface preparation.

BENEFITS

- **Restores the natural beauty of wood**
- **Removes all traces of mold and mildew**
- **Contains no acid or chlorine bleach**
- **Safe for plants and animals**
- **Biodegradable and Environmentally friendly**
- **Prevents new mold and mildew growth**
- **Eliminates E.-coli, Listeria, and Salmonella**
- **Non corrosive**

PACKAGING

ADP-Mold Zap is available in 2, 5 and 10 gallon mixes.

1. 1 gallon jug of part A & B makes 2 gallons
2. 2.5 gallon jug of part A & B makes 5 gallons.
3. 5 gallon pail of part A & B makes 10 gallons.

MIXING DIRECTIONS

Mix 1/2 gallon of part A and 1/2 gallon of part B of **ADP-Mold Zap** to make 1 gallon of product. Mix ratio is 1 to1

STEP 1: MIX: Mix equal parts of part A & B and stir thoroughly. Wait 15 minutes after mixing part A & B before using. **ADP-Mold Zap** should be used within 12 hours after mixing and be completely used within 24 hours of mixing.

STEP 2: APPLY:

SPRAYING: Apply **ADP-Mold Zap** solution with sprayer or spray system. Let solution stay on surface until dry and mold and mildew will be gone.

Coverage: One gallon of **ADP-Mold Zap** cleans, and restores 150-200 square ft. depending on porosity, moisture content, and cleaning method used.

CAUTIONS

ADP-Mold Zap contains Enzymes and Surfactants. **Do not** mix with chlorine bleach or other chemicals. Store the products in original container only. Sweep up spills and flush down drain. Contact with combustible organic materials may cause fire. Accumulation of product on concrete, ladders, scaffolding, decks, etc., may result in a slippery surface. Avoid contact with eyes and mucous membranes and prolonged contact with skin.

First Aid: In case of eye contact, flush with water for 15 minutes and get prompt medical attention. If swallowed, give milk or water. Do not induce vomiting. Call a physician immediately.

LIMITED WARRANTY

American Deck Products warrants this product to be free from defects for six months from date of purchase as long as product remains sealed. Any claim must be made in writing, accompanied by proof of purchase. **American Deck Products** will only be obligated to replace the product. **American Deck Products** shall not be liable for incidental or consequential damages resulting from any breach of this warranty and fitness for use. Some states do not allow the exclusion of incidental or consequential damages, so the above warranty may not apply to you. This warranty gives you specific legal rights.

TRANSPORTATION AND STORAGE

ADP-Mold Zap is considered **Non Hazardous** under Department of Transportation Regulations. Store products in a cool, dry area and keep from freezing.
