

Seven-Year Limited Warranty

The manufacturer warrants that for seven (7) years from the date of purchase, One TIME[®] Wood Protector will have the following points of performance when applied according to label instructions to properly prepared unpainted, natural and pressure treated wood.

- Penetrates wood deeply.
- Helps prevent water and salt damage.
- Helps prevent UV damage from natural sunlight.
- Helps prevent natural weathering damage.
- Helps prevent chalking and related wash-down staining.

If this product fails to perform as specified above, return the unused portion along with proof of purchase and provide wood samples of disputed area to be tested by the manufacturer. The manufacturer is not liable for the cost of labor; direct, incidental, or consequential damages; or any other remediation directly or indirectly associated with product performance. This warranty allows specific legal rights; other rights may vary from state to state.

One TIME[®] is covered under U.S. Patent Nos. 5,773,487 and 6,583,195
